Communication Quick Guide

Query

I would like to know more about what is happening in a subject.

I have tried to contact the class teacher, but would like further support for my child in a particular subject.

My child will be away for assessment/my child needs assessment adjustments (including extensions). Therefore, I will need to submit an Access Arrangement and Reasonable Adjustment Form (AARA).

My child has had a one-off conflict with another child and I would like a mediation to occur.

I am concerned about attendance.

I am concerned about bullying.

I would like some wellbeing support for my child.

I am concerned about my child's progress across a number of subjects

My child would like a subject change.

I am concerned about the safety of my child/other children.

I would like to provide positive feedback.

Who do I contact?
