

# NEXT STEP 2014 YEAR 12 DESTINATIONS Ormeau Woods State High School

## Introduction

This page presents a summary of results of the annual *Next Step* survey for Ormeau Woods State High School. The *Next Step* survey, undertaken by the Queensland Government, targets all students who completed Year 12 and gained a Senior Statement in 2013, whether they attended a government, Catholic or independent school, or a TAFE secondary college. The Queensland Government Statistician's Office conducted the survey between March and June 2014, approximately six months after the young people left school. Responses were collected via computer-assisted telephone interviewing and an online survey.

Statewide and regional reports from the *Next Step* survey will be available on the *Next Step* website in September 2014 at [www.education.qld.gov.au/nextstep](http://www.education.qld.gov.au/nextstep).

## Definitions of main destinations

The pathways of Year 12 completers were categorised into ten main destinations. Year 12 completers who were both studying and working were reported as studying for their main destination. A table defining these categories can be found in the statewide report at [www.education.qld.gov.au/nextstep](http://www.education.qld.gov.au/nextstep).

## Summary of findings

In 2014, 48.6 per cent of young people who completed Year 12 at Ormeau Woods State High School in 2013 continued in some recognised form of education and training in the year after they left school.

The most common study destination was Bachelor Degree (19.3 per cent). The combined VET study destinations accounted for 29.4 per cent of respondents, including 19.3 per cent in campus-based VET programs, with 14.7 per cent of Year 12 completers entering programs at Certificate IV level or higher.

10.1 per cent commenced employment-based training, either as an apprentice (6.4 per cent) or trainee (3.7 per cent).

In addition to the above study destinations, a further 5.5 per cent of respondents from this school deferred a tertiary offer in 2014 (deferrers are shown in Figure 1 in their current destination).

51.4 per cent did not enter post-school education or training, and were either employed (35.8 per cent), seeking work (11.9 per cent) or not in the labour force, education or training (3.7 per cent).
