Year 10 SET Plans

As Year 10 students enter Senior Schooling there are many questions to consider when planning future pathways including:

What are my goals beyond school?
What qualifications do I need to pursue my goals?
What careers interest me?
What types of courses are available in years 11 & 12?
How can I combine work and school?

What is a SET plan and why is it necessary?

The Senior Education and Training Plan (SET Plan) helps each student structure their learning around their abilities, interests and ambitions. The SET Plan then maps out what, where and how a student will study during their senior phase of learning — usually Years 10, 11 and 12. The plan is agreed between the student, their parents or carers and the school. It should be finalised by the end of Year 10. Schools and individual students review the SET Plan to monitor progress. The plan can be updated at any time.

When will students begin their SET plan?

Students have already been questioned about their initial intentions beyond year 10. As part of raising their career awareness, students were transported to the Gold Coast Careers Expo at the Royal Pines Resort free of charge on Thursday 9 May. They had the opportunity to speak to employer groups, university and TAFE representatives, see demonstrations and gather information about industry areas which may interest them.

During the next few months, students will undertake a career matching activity and be provided with a profile of careers which match their interests and abilities. In addition, they will complete an electronic version of their SET plan which they will be able to access both at school and at home so that you can share in the discussion about what careers best suit your child. By mid Term 3, students will be in a position to make a more informed choice about subject selection for year 11 or learning and earning with an employer.

We will also be conducting an information night on SET Plans for parents of Year 10 students on Wednesday 5 June from 6 to 7pm. Please put this date in your diary as we would love to see you all there. Further information will be sent home in the upcoming weeks.
