

Good Morning Parent and Student

Over the next three weeks students will continue their career education by reflecting on their current results and further investigating pathway options. Subject selection for Year 10, 2022 will be finalised during a compulsory **SET Plan** interview. At Ormeau Woods, we consider Year 10 the beginning of the Senior Phase of Learning and these interviews are critical to aligning their current results, pathway choice and future goals.

OWSHS Pathway Recommendation

At Ormeau Woods, we endeavour to meet the Education Queensland Strategic Plan goal of 'every student succeeding' through a supportive environment and pathway management.

Based on your child's current achievement we would recommend

A total of 6 subjects including Applied subjects + a Cert II or Higher

*Does not lead to an ATAR.
Strongly encouraged to complete a Cert II or higher qualification either at school or through an external TAFE course or Traineeship.*

SET Plan Track Ed Profile

Your child's SET Plan Track Ed profile details their achievement grades for each subject studied from Year 7-9 and their latest behaviour and effort grades from Semester 1, 2021. This profile also highlights subjects where they meet/don't meet subject pre-requisites. These pre-requisites are outlined in the OWSHS Curriculum Handbook and are based on achieving a particular grade for each subject in Year 9 to be able to successfully complete the Year 10 subject. The Year 10 Subjects and codes are listed at the bottom of this email for your reference.

SET Plan Track Ed Profile

A compulsory interview is required to complete your child's subject selections for Year 10 and beyond. During this interview, we discuss your child's future and backwards map to ensure they are selecting the correct subjects which allow them to achieve success in their pathway.

Date	Tuesday 7 & Wednesday 8 September, 2021
Time	7:00am – 6:30pm 25 minutes allocated for each interview
Who	Parent/Guardian, Child and School Representative

To make your interview time please click on the link below and select a staff member that corresponds to your child's house.

<https://eq.sobs.com.au/pt3/parent.php?schoolid=70322>

SOBs bookings will close at 2:30pm on Friday 27 August, 2021.

Please note*

You may have received communication directly to select a specific person, please ensure you do pick them on a day and time that suits. All others can select a day and time that suits with anyone from within that house. If you need to negotiate a different time than those available please contact the relevant person.

Student Support Services (SSS) students will need to book with the case managers aligned to the houses below.

The following link is parent instructions for booking your time if you have having any trouble

<https://eq.sobs.com.au/docs/sobs-pt3-parents.pdf>
